Elcey Pattersons Book

Elcey Patterson was
born April 17, 1803
in the State of Ohio
butler County Lemon
township

Within this little book is found
The names of those put underground
Their age & time their spirits fled
To Christ and Mother as their head

In eighteen hundred ten and eight
Twelve of our number changed their state
For every month within the year
One of the number disappear'd

Now its beyond the human art
To tell the next that will depart
But this is wisdom in us all
To be prepar'd to meet the call

For certain as we've life & breath

We must become a prey to death
This change I know we must pass thro
And bid the things of time adieu

Then let us labor to be wise
And every Idol sacrifice
For this is wisdom from above
To learn the way of God to love

A memorandom of the time
that certain of our family left
the body with their age and
the time they departed,
